

The Redmayne Report on Reassurance 2006

Life and Health Reassurance in the UK & Ireland

Redmayne Consulting is pleased to announce that the fifth Redmayne Report on Reassurance will be issued in October.

The Report is essential reading for:

Reassurers	Reassurance Buyers
Retrocessionaires	Reassurance Intermediaries
Consultants	Actuarial Function Holders
IS, legal and other suppliers	

The Report is available in three parts, providing valuable information and insight into reassurers and the state of the buying market.

Part One is the core Report for anyone interested in the life and health reinsurance market in the UK and Ireland.

Part Two concentrates on the analysis of each reinsurer from public information and an exclusive reinsurer survey undertaken by Redmayne Consulting. Essential information for insurers to show compliance with FSA outsourcing regulations.

Part Three provides the full results from the 2006 survey of reinsurance buyers conducted independently on behalf of the Report by Outlook Research.

A £250 discount is available for insurers in appreciation of their participation in the reinsurance buyers survey, or for purchasers of all three parts.
